1. Caretaker will be the primary custodian for this dog. This dog will reside with a caretaker as a companion/sport dog. Caretaker will be responsible for all expenses related to care of the dog... including food, veterinary expenses, and day to day living expenses.
2. Ridge View agrees to pay for all breeding related health clearances.
3. Ridge View reserves the right to enter and compete with this dog in any AKC events, Ridge View will cover the cost to show this dog, and Ridge View will keep all awards received.
4. If the caretaker wants to enter and compete with this dog in any AKC events, the caretaker will be responsible for expenses and the caretaker will keep all awards received.

**Initial:** \_\_\_\_\_

5. Ridge View owns all breeding rights to this dog and will make all breeding decisions.
  - 6a. If the dog is female: Caretaker will receive \$250 for each litter raised to 6-weeks that has at least 3 live puppies produced by the female and delivered to Ridge View. The female will be spayed at Ridge Views expense after the agreed upon number of litters.
  - 6b. If the dog is male: Caretaker will receive \$100 for each litter successfully sired with at least 2 viable puppies by the male. The male will be neutered at Ridge Views expense after the male reaches 8 years of age.

7. Ridge View will be responsible for managing all matings.

8. Caretaker is responsible for paying \$5,000.00 to Ridge View if the dog is killed, neutered/spayed, or injured in a way that the dog can no longer be used for breeding.

**Initial:** \_\_\_\_\_

9. Caretaker agrees to involve this dog in exercise/workout programs to insure good weight and muscle tone.

10. Caretaker agrees to feed this dog high-quality, nutritious food, such as Purina ProPlan, large breed, all life stages. Staying away from high calorie foods to help maintain a healthy weight.

11. Caretaker is encouraged to attend a Basic Obedience Training class and/or Canine Good Citizen Training class. This helps build a respected bond between owners and dogs. This also ensures an easy transition when visits to Ridge View are required.

**Initial:** \_\_\_\_\_

12. If for any reason the caretaker cannot keep this dog or moves more than 100 miles away from current location to Ridge View; this dog will be returned to Ridge View, or another contract will be drawn.

13. Caretaker is responsible for getting the dog back to Ridge View (or a Veterinarian Clinic selected by Ridge View) in a timely manner when requested and will cover any extra needed fees to transport the dog including any breeding (including semen collection) and AKC competition.

14. Ridge View will give this dog their AKC registration name. Caretaker is responsible for working with Ridge View in giving this dog their call name, if they are not already named.
